

Dear New Patient,

I'd like to take a moment to welcome you as a new patient of MCC Apothecary. Thank you for choosing us! We look forward to partnering with you to provide specialty medications and programs specifically designated for certain disease states. We will do all we can to ensure you achieve the most successful result possible for you.

The trust and confidence you have placed in us is most appreciated. MCC Apothecary provides many patients with timely specialty medications as prescribed by your physician. Our mission is to help you better understand your specific disease state so you can achieve best results and maintain optimal health over the long-term. Through our unique specialty programs we educate every patient on how to safely take your prescribed specialty medications while monitoring all the medications you are taking to make sure there are no inappropriate drug interactions.

The specialized programs developed by MCC Apothecary are used to provide these key benefits:

1. Provide education to patients on their unique disease state.
2. Provide support for other conditions and symptoms you may have.
3. Provide you with courteous, educated staff members who will make the medication ordering process easy and positive.
4. Provide your physician with details of your care for faster intervention when necessary.

It is a great pleasure to welcome you to MCC Apothecary and we look forward to being your specialty medication provider.

Sincerely,

Carrie Webb, Pharm.D.
